Please take good care of your vouchers as you may be liable to pay for any replacements.

3. The 'Bula Pass' and 'Bula Combo Pass' are valid for the period shown on your Pass (one 'hop' per day). If you are still travelling outside the date of your Pass you will be charged the normal fare for the sector travelled.

The pass can be extended anytime during travel but prior to expiry by paying the price difference up to the longer Pass of your choice. This can be done at the Travel Desk onboard the 'Yasawa Flyer', please note amendment fees apply. When you return to Denarau your pass becomes invalid for any further use. Any pass being used by a person other than the owner will be confiscated and the balance of its use will be forfeited.

Please note most properties have a minimum two night stay policy. If you would like to prebook your Bula Combo accommodation prior to arrival into Fiji a Credit Card Authorization form must be completed, please contact reservations@awesomefiji.com

Pre booked accommodation is subject to the cancellation fees clause 13. Additional fees do apply for room types and properties not listed in the Bula Combo pass section on pages 18 & 19 of the brochure. For a full list of rates please see our friendly team at the Travel Desk on board the Awesome Adventures Fiji vessel.

Lost, stolen, damaged or misplaced 'Bula Pass' and/or 'Bula Combo Pass' vouchers will not be replaced.

4. 'Full Monty' packages include activities that are identified under the 'Full Monty' inclusions section for each package. Full Monty Activities are subject to sea and weather conditions - AAF reserves the right to substitute Full Monty activities with other products in the event that the listed activity is unavailable.

5. 'Darsmans Bay Lodge' DOES NOT accept cash, all transactions (i.e. drinks, meals) must be paid by credit card.

6. Prices and Currency: All prices are in **FIJIAN DOLLARS** and include taxes where applicable. Package prices are per person. Prices listed as 'Twin/Double' or 'Apartment' are per person based on two people sharing a room or bure. Prices through some agents may vary due to currency fluctuations.

7. Meal Costs: Where an additional price is shown under 'Meals' these rates are per person per night and include three meals per night stayed. The meal package is compulsory and must be taken as there are no alternative dining places. The meal cost valid at date of travel should be paid directly to the resort in Fijian dollars at resort check-in. Rates are correct at time of issue and are subject to change. Where meals are listed as included, you will receive three meals per night stayed.

8. Child Prices: This can vary from property to property therefore all child prices are on application through Awesome Adventures reservations in Fiji.

9. Right to vary:

(a) Any necessary changes will be advised prior to travel - as most of the properties featured in our packages are small they are at times full. When this is the case we reserve the right to substitute a similar property of a similar standard and/or reverse the order of the brochure itinerary.

(b) Open dated bookings are available for travel until 31 March 2018 (a new season's price surcharge will be charged for travel past this date). The above 'Right to vary' conditions apply. Travel must commence no later than 12 months after purchase. Meal supplements are subject to change and the meal rate valid at the date of travel is payable direct to the resort.

(c) Awesome Adventures Fiji reserves the right to cancel departures, alter prices, apply a fuel surcharge, arrange alternative transport and vary itineraries and services as necessary. All transfers are subject to sea and weather conditions and operational requirements. Should adverse conditions prevent operation the client is responsible at their own cost for their own additional accommodation wherever it may be and/or alternative travel arrangements not organized by the Company. Awesome Adventures shall be the sole judge of when vessels should not operate under this clause.

10. Liability: Where another company or persons operate the tour, activity or excursion, diving, accommodation or shore transfers Awesome Adventures is only acting as a Sales Agent. Responsibility for the operation and liability for any mishap lies with those operators solely and not with Awesome Adventures Fiji. Awesome Adventures is not responsible for missed flights or any associated expenses due to late arrival at check-in counter.

During adverse weather situations that prevent travel, clients are not able to substitute vouchers for another property to cover their accommodation at the property they are at.

Awesome Adventures shall not be held responsible for any property loss or damage and/or any claim resulting from personal injury or death arising whilst travelling with the company, participating in activities, on the vessel or other company property. This disclaimer applies irrespective of the cause. A medical questionnaire must be completed to participate in Diving. Due to altitude restrictions divers

cannot fly for 24 hours after diving.

11. Visa Requirements: It is the responsibility of all guests travelling with Awesome Adventures to check and adhere to Fiji's visa requirements.

12. Travel Insurance: There are no medical facilities in the Yasawas so if any medical problem arises you will need to return to Nadi. If you develop a serious medical problem you will most likely want to leave Fiji for Australia, New Zealand or home. There is also a higher degree of risk in public areas, on local vessels etc. Sea conditions and sometimes cyclones can prevent travel on the booked dates as well.

It is **therefore an essential condition of travelling with Awesome Adventures that you have a valid travel insurance policy** to cover the cost of any emergency medical treatment or accident and to protect your holiday payments in the event of cancellations and/or delays. Awesome Adventures has insurance cover available with a leading insurer of adventure style travel which can be taken out at time of booking.

13. Booking and Cancellation Policy: Bookings will not be confirmed until full payment has been received. We will not regard a booking as cancelled unless and until written notice is received by us from you or someone acting on your authority.

FUJI ISLANDS

THE YASAWAS... FOR LOVERS OF UNIQUE AND INDEPENDENT TRAVEL

"BULA"

Memories aren't created from things you said you would do, they are built from the things you have done. Travel allows you to encounter real life and embark on real adventures. We are all writing our own story and Awesome Adventures Fiji is creating real memories for the next chapter of your book.

Fiji as a destination is one to discover and write home about. Fiji is made up of over 300 islands set in crystal clear waters of the South Pacific. Relax, try new activities and experience a diverse culture. "Bula" – you'll hear at every turn, epitomising the warm, friendly outgoing nature of the Fijian people.

One of the most stunning regions is the remote Yasawa Islands group consisting of a chain of 20 ancient volcanic islands. Four of these islands have dramatic elevations with summits just short of 600 metres above sea level. The pristine white sandy beaches and dramatic monoliths surrounded by crystal clear lagoons provide a perfect backdrop to enjoy new activities, such as diving, snorkelling with sharks, trekking to sacred phantom rocks, kayaking, swimming with manta rays (seasonal), visiting local villages and let's not forget the most important activity – relaxing in the tropics!

It's here where we've set the scene for Awesome Adventures Fiji. The original adventure travel company of the Yasawas, with over 16 years experience perfecting the art of taking travellers to a place where happiness finds them. With so much to discover we have created a variety of packages to ensure you experience the "real Fiji" whilst still allowing you plenty of time and flexible options to journey on your own adventure of discovery.

Choose one of our carefree packages exploring the best of the Yasawas; Fiji Island Escapes for staying put and relaxing, Bula Passes for freestyle, island-hopping travel and for the ultimate explorer the option to build your own adventure and choose the places you wish to discover. Travelling with Awesome Adventures Fiji is about creating the holiday experience you desire in one of the most glorious regions of the South Pacific.

VINAKA FIJI VOLUNTEERING

YOU CAN MAKE A DIFFERENCE The Yasawa Trust Foundation was established in 2010 to formalise and further the work and economic assistance provided by Awesome Adventures to the people of the Yasawa Islands Region.

The name of the assistance programme “Vinaka Fiji” was chosen to reflect the two way nature of the relationship between those who operate and assist the Trust and the people of the Yasawas whose work it benefits. For the Founders of Awesome Adventures and those involved in the Trust this is their way of saying “Vinaka Fiji” or “thanks” to the people of the region for all the pleasure and enjoyment had there. \$10 (FJD) of every Bula Pass and package booking (four nights or more) goes directly to the Foundation.

Through the “Vinaka Fiji” programme the Trust aims to improve the provision of basic needs and amenities, often taken for granted in modern society, yet missing from village life in the Yasawas. It seeks to do this both through direct aid and by acting as a facilitator, bringing those who can help - companies, Government, Aid Agencies and individuals together with the landowners and residents.

The key focus of “Vinaka Fiji”, in order of priority, will be on infrastructure and associated needs in the areas of:

 **Marine Conservation**  **Children and Schools**  **Creating sustainable communities**

The Trust actively seeks additional funding for its projects from third party sources. It remains a key principle of the Trust that the majority of the funds raised will be spent on the cost of the specific projects.

The Trust also encourages you the visitors to the Yasawas to participate in the Volunteer work programmes. It is a great way to become more involved in the island life of the Yasawas, to lend a helping hand to people in need and make a difference through your travel.

Join us as a Volunteer? See pages 31-33 for full details on how you can help

LIVE MORE WORRY LESS
MORE SMILES LESS STRESS

Take an awesome adventure to where happiness finds you!

RESORT ACCOMMODATION

Awesome Adventures Fiji recognizes two different levels of accommodation in the Yasawa Islands to suit different travelling styles and budgets, from those happy with the bare essentials to those looking for more creature comforts. Through our own local grading system of 1 and 2 coconuts, you can personally select a style that suits you.

COCONUT RATINGS

1 COCONUT

BACKPACKER Dorms and bures

If you need a hairdryer, these are not for you. Resorts are typically basic but on a beautiful beach. Usually there is no hot water but the local water supply is tepid. Bring your own towel, soap and other necessities. All these resorts are owned and run by Fijians who love hosting and sharing their lives with the guests. ALL 1 coconut properties include the meals so you know exactly what to budget.

MEALS are included in the accommodation price and packages. Meals are simple and filling, rather than gourmet and are served at specific times of the day. e.g. breakfast 8am – 9am, providing an opportunity to meet fellow travellers.

2 COCONUT

BACKPACKER TO FLASHPACKER Dorms, lodges and bures

Generally more modern properties with a higher standard of accommodation and amenities than 1 Coconut properties but still with a strong Fijian flavour. Ownership and management of these properties is a mix of Fijian and European with Fijian staff. There's aircon or fans during generator operating hours. Meals are generally more varied with more courses and of a higher standard.

MEALS are not included in the accommodation price and packages. There is a compulsory Meal Package price to be paid directly to the Resort on check-in. Meals are served at specific times of the day e.g. breakfast 8am – 9am, providing an opportunity to meet fellow travellers.

NOTE: EVEN WITHIN THE SAME CATEGORY PROPERTIES CAN VARY. FOR MORE DETAILED INFORMATION ON EACH PROPERTY SEE THE 'FIJI ISLAND ESCAPES' SECTION IN THIS BROCHURE.

ONE THING ALL RESORTS HAVE IN COMMON IS THEY ARE SET IN STUNNING LOCATIONS

You'll mix and mingle with the locals for whom the nearby villages and the Yasawas is home. Most resorts are owned and operated by local Fijians. They are not owned by Awesome Adventures and standards vary from property to property. However we do monitor them and have Awesome Adventures staff moving around all the time to ensure everything is as it should be. Accommodation share twin and double rooms (price based on two people sharing) are generally called bures, the name for a traditional home with a thatched roof. They are not all thatched these days but the idea remains the same.

STUFF YOU NEED TO KNOW

PACKAGES, BULA PASSES OR BUILD YOUR ADVENTURE?

PACKAGES The easy way to travel - our packages range from 5 to 12 days and cover some of the most spectacular Yasawa Islands. Packages combine the transfers, accommodation, meals (1 Coconut) and key activities. With the packages, everything is sorted and best of all, your accommodation is guaranteed. There are often times when the more popular properties are full with guests who have booked ahead.

See pages 10-17.

BULA PASSES The Pass is an extremely popular way to explore Fiji's magnificent islands. It gives you the freedom to island hop where and when you want. The 'Bula Combo Pass' includes pre-paid accommodation for 1 coconut properties only. **See page 18.**

FJI ISLAND ESCAPES If you have limited time in Fiji or just want to visit one stunning island, chill out and relax, a 'Fiji Island Escape' package is the way to go. Includes vessel transfers to your island paradise.

See pages 21-30.

FJI MY CHOICE Build your very own Yasawa experience itinerary - you then have the certainty of pre booked accommodation but it's all your choice. Work your way through our 'FJI MY CHOICE' guide, choosing the places where you want to stay and for how long.

See pages 19-20. Send off the request and you'll receive an itinerary, island transfers and price.

BOOKING EXTRA NIGHTS On your package itinerary you can add as many extra nights to any of the properties included as you like. The prices are shown in the 'Fiji Island Escapes' section of the brochure.

OPEN DATED BOOKINGS We know sometimes you are leaving home a long way ahead of getting to paradise and plans can change, so all 1 & 2 Coconut packages can be booked on an open dated basis. All you need to do is confirm your arrival date and starting date with Awesome Adventures at least 14 days prior to your arrival in Fiji.

DAILY DEPARTURES For all packages, passes and transfers. The Awesome Adventures vessel 'Yasawa Flyer' departs Denarau Marina at 8:30am daily for all Yasawa destinations. It returns daily at 5:45pm. South Sea Island, Bounty and Beachcomber are also serviced on this run and have additional departures available.

AWESOME PACKAGES - WHERE YOU STAY / RIGHT TO SUBSTITUTE PROPERTIES

The places where you'll stay are mainly quite small so capacity is limited. If we specify particular properties that means they are the ones we use most of the time BUT... occasionally they may be full. Reservations systems in the Yasawas also aren't always that flash and we rely on phone calls... so when you book any multi island stay package in the 1 & 2 Coconut categories we reserve the right to put you into another property. It will be of a similar standard and you'll have just as good a time. Occasionally we may even have to swap the order of the nights around or put you on a different island but in all cases we'll provide you with a similar experience.

SUNDAYS

Sunday is a day of rest and church going in the Yasawas. This means that conducted activities are not on offer however you are free to do activities on your own. In most villages you will be welcome to join the church service - an amazing experience. When travelling on a Full Monty package your activities will be organised around this.

MONEY MATTERS Credit cards can now be used on most islands but it is still advisable to have some cash with you.

NO BANKS IN THE ISLANDS The most convenient ATM machines are at Port Denarau. Others are available in Nadi and at the Airport. The currency is the Fijian dollar. Check out current exchange rates to get a sense of how much you'll need.

FREE NADI / DENARAU COACH TO MARINA ON DEPARTURE DAY

We are very happy to pick you up from your accommodation on the day of departure for the transfer to Denarau Marina. If you don't book your Nadi accommodation through us you have to advise us where you are staying. If you don't advise us, getting to Denarau Marina on time is your responsibility and at your cost. We also provide a courtesy coach drop off back to all resorts listed on our schedule in the Nadi, Wailoaloa and Denarau area.

EARLY CHECK-IN If you'd like to speed things up and avoid the queues at the morning departure then you are most welcome to check in at our Port Denarau counter the day prior any time after 9:30am.

BULA/MOGE

WELCOME PACK

Take the hassle out of arriving in Fiji with a 'Welcome Pack'. Step outside airport customs into the arrivals area and our friendly staff will be there to greet you, check your arrangements and transfer you to your accommodation. GOLD COAST RESORT

NANUYA LILAI ISLAND

An awesome little resort nestled into the end of a superb beach and just off this beach are the bures and dorms set under swaying coconut palms – the lapping of the sea will lull you to sleep. You'll love the traditional style bures – don't forget the lamp at night. Here the family who owns the property will make you feel welcome as they serve the meals and entertain you.

Gold Coast is a quieter resort where the emphasis is on "Fiji time" – slow and mellow! The beach is inviting but you may feel tempted to wander down the beach for afternoon tea at Lo's. A longer walk, but well worth doing, is across the island to the Blue Lagoon.

You'll enjoy the small family atmosphere of Gold Coast and its lovely setting. You'll be so relaxed you may forget to leave!

Ways you can make a difference with Vinaka Fiji

Volunteering

Whether you are a skilled tradesman, nurse, doctor or teacher, or simply someone who wants to give their time and skills to help those in need, the Vinaka Fiji program can use your help. Volunteering is all about giving something back and making a difference. Volunteering with us means that you'll work alongside locals and other volunteers in specialised projects. The focus is on helping the villages achieve access to the basic needs in life including water, power, nutrition and education, and helping to build a sustainable future for these villages. If a holiday in Fiji, combined with the opportunity to lend a helping hand to people in need sounds like you, then volunteering with Vinaka Fiji will be a highlight of your travel experience.

Volunteering programs

Having worked closely with the villages for over 10 years now, we know what is needed in the Yasawa Island villages and we also know what the villages want to work towards for their future. We don't want to take the approach of commanding a new way of life for the villagers, as we believe that sustainability is all about securing the future by keeping the culture and relaxed way of life intact.

In order to do this properly and sensitively, we work closely with the Yasawa villagers, so that they may help determine the needs, participate in the planning and implementation and share responsibility for completion of the projects embarked upon.

We have a strong tri-way partnership made up of representatives from Government, the Yasawa villages and Vinaka Fiji.

All areas of development are designed to have low environmental impact, with environmental sustainability a key to the future.

Our key areas of focus are:

- Create solutions that support sustainable, self sufficient communities
- Achieve and maintain access to clean, reliable sources of water
- Develop 'micro enterprises' based around nutrition, including food crops and education
- Support local schools with education supplies and aid
- Assist with ideas, information and solutions for power sources
- Research and educate on the management and value of the marine environment

There are three core programs that Vinaka Fiji operates:

- **Children, schools & education**
- **Creating sustainable communities**
- **Marine research and conservation**

Children, Schools & Education *Volunteering*

This program supports schools and teachers by assisting with classroom teaching (in English) based on the Fijian National curricular through classwork, literacy games and educational activities. The work by Vinaka Volunteers is having a profound impact on the many students it interacts with.

Areas of participation

The age range of the students you will work with will vary from pre-schoolers right through to adult students who are returning to school to make the most of their opportunity for education. All teaching is done in English.

Early childhood program

These programs are attached to each village kindergarten and focuses on children from 3 1/2 to 5 years old. The aim is to encourage parents to be our partners in developing an understanding and appreciation of the value of their children attending school.

1 on 1 reading program

This valuable program is established at both Naviti District School and Yasawa High School. The aim is to improve learning outcomes for students who are significantly below the national average in literacy.

Vocational programs

Yasawa High School and Vinaka Fiji, have established two areas of vocational studies and work together to plan, implement and assess the programs.

Each program is a one year course and each student is expected to study Agriculture and Marine studies.

Recent achievements

Since January 2012, in partnership with community, Government, Rotary and individual donors, GVI and Vinaka Fiji have achieved:

- Over 3,000 volunteer and Vinaka Fiji staff hours contributed to the education programs.
- The Fiji Government offered support to the Vinaka Fiji trust by fully funding a more efficient water harvesting system for the Naviti District and Yasawa High schools.
- Vinaka Fiji and the Western Regional Library supported the development of the very first Yasawa community library at Muaira Village.
- Playco Playgrounds and Makara Model School New Zealand donated a playground to the children of Naviti District School. The Vinaka Fiji team erected the playground which will allow for many hours of interactive play amongst the children.
- As a direct result of additional resources provided by Vinaka Fiji volunteers in conjunction with the Yasawa High School teachers, for the first time in 37 years, a Dux Trophy sponsorship was awarded to one of the students.

HOW YOU'LL MAKE A DIFFERENCE

The local council and the Fijian Government has specifically requested our assistance with English language teaching, maths, sports education and arts with the long term aim to assist in teacher education and training. You will be immersed in the Fijian culture whilst supporting locals through their education and improving their future prospects.

HIGHLIGHTS

- Work with children, teenagers and young adults in one-on-one and group tasks
- Spectacular island location
- Immerse yourself in the local culture
- Improve the students' future prospects
- Varied educational roles
- Memories for life
- All programs are Saturday to Saturday

FULL MONTY FEATURED ACTIVITIES

WE THINK THESE ARE THE 'MUST DO' ACTIVITIES IN THE YASAWA ISLANDS

To make it easy and guarantee a place for you on these great activities we have negotiated special prices and included them under the 'FULL MONTY' – your chosen package PLUS all the nominated activities or upgrades. The Full Monty activities are described day by day in the packages (page 10 to 16).

SAWA-I-LAU CAVES TRIP The boat trip up to the caves is worth doing for its own sake but then there's the magical experience of the caves themselves. No diving is required to enter the main cavern as it's just a few easy steps. We recommend you take the option to enter the secondary cavern where you need to swim through an underwater tunnel. See your resort for details.

REEF SNORKELLING / SWIM WITH THE SHARKS (OR NOT!) TRIP Mova Reef is only a short boat ride from the white sandy beaches of Barefoot Kuata, Naqalia and Wayalailai Islands. A spectacular site from above and below the water with an abundance of colourful fish and beautiful corals. This outer reef is also home to some "friendly" Reef Sharks that you can snorkel with – gets the adrenalin pumping but they eat fish not people so no need to worry!

FIJIAN VILLAGE VISIT Life in the Yasawas is village based. All Fijians are strongly rooted to their culture, land and their mataqali (family). You cannot however just wander into a village and must be accompanied by a person from there. Being able to visit one of these villages is a special experience sharing and learning about this different world to that of modern city life. Your guide will teach you basic protocols and accompany you around the village. It is a very relaxed tour and you'll be able to wander freely, meeting the villagers and children as they go about their daily life. The Ratu (or Chief) may even welcome you.

IF EVENTS BEYOND OUR CONTROL MAKE A FULL MONTY ACTIVITY UNAVAILABLE, AN ALTERNATIVE WILL BE SUBSTITUTED

GUIDED SUMMIT WALK TO AMAZING ISLAND PEAKS One of the more strenuous excursions on offer but definitely worth it. The southern Yasawas boast rugged volcanic peaks with summits providing magnificent views over the surrounding islands and ocean. The best time to be there is sunrise or sunset (it's also cooler for the climb!).

SWIM WITH THE MANTA RAYS (May to October) One of the most amazing experiences the natural world has to offer. These magnificent, majestic creatures come to this particular channel between two islands each day on the change of tide to feed. No photograph will prepare you for that first sighting of them. The mantas don't seem to mind swimmers so there's a good chance your encounter will be a lengthy one as they turn and glide in the waters beneath you, huge mouths open as they feed on the plankton.

SUNSET (TUBE) CRUISE A bit of fun under the sun! Chill out, cool drink in hand, floating along the water (in a tube or boat) with mates and watching the sunset. What a great way to end the day in Fiji!

FIJIAN ISLAND MASSAGE Now this is a must! You're in Fiji in relaxation-mode so you just have to treat yourself to a luxurious island massage and relax that little bit more.

HAND-LINE FISHING TRIP Meet locals and other villagers out in their fishing boats. Experience throwing over a hand-line, laughing and joking with the crew and if you catch a fish, it's a bonus!

FIJIAN COOKING LESSON Learn how to cook some traditional Fijian dishes by actually preparing the meal yourself and then of course the best part - getting to eat it along with your fellow chefs!

BONUS OFFER!

All guests choosing the Full Monty option of their package get an Awesome Adventures Fiji SULLU or CAP and a 'MAI YASAWA' SOUVENIR BOOK – a magnificent 80 page photo book.
